WITT GALLERY, CALL FOR EXHIBITION PROPOSALS
For the 2010-2011 academic year

Each year, as many as 20 exhibitions organized by Sacramento State faculty and students are mounted in the Witt Gallery in Kadema Hall. Most of these are based on applications submitted in response to the call for exhibition proposals. Solo, group, and curated exhibitions are welcome from students and faculty. Faculty also may propose exhibitions of art by students from regional high schools and colleges.

Important: Exhibitors are responsible for funding, publicizing, installing, and de-installing their shows. In most cases, they also must provide gallery attendants during the hours the gallery is open to the public. Information about potential grant opportunities can be found at: http://www.csus.edu/research/
